Subject: PSC Website Comments: RE: Duke Power rate increase request

Hello.

I have read of Duke Power Company's intention to ask you to grant a 9.3 % rate increase.

I am writing to implore you not to grant such an increase at this time. So many people, including myself, are suffering because of the hard economic times, and it would be so cruel for Duke Power to place this additional burden upon us.

I am a senior citizen, living on a fixed income, and though I take steps to keep my residence energy-efficient, it is still difficult to make ends meet.

Please consider these remarks when making your decision regarding Duke Power's request.

Thank you.
